the cost-savings arguments made by advocates of defense privatization, which have been meekly accepted as true without empirical proof for far too long, is worth the price of the book alone."—David ...

## **One Nation Under Contract | Yale University Press**

Outsourcing has gone so mainstream, in other words, it even shows up in conspiracy theories. If the delegation of governmental functions to private companies has become standard practice, however, the scope, implications, and wisdom of it remain unclear, which is why One Nation Under Contract is so useful.
