Rebuilt 218 Engine

A properly re manufactured engine is as good or better than a new one as (seasoned) blocks have less chance of warpage or change as you use them than a new one. You can't get this quality of work at a local mower shop or dealer as it requires an engine rebuild/machine shop with proper equipment and know how.

Rebuilt 218 Engine - mallaneka.com

A rebuilt engine, usually, will be warranted for, at a minimum, at least a year or 12,000 miles. Some engine remanufacturers may offer warranties as long as 36 months. Check with your local providers to figure out what kind of warranty your rebuilt engine may come with. An in-house rebuild can fix just about any engine problem found.
