From Claudie Bernard's Introduction to Sentimental Education Flaubert's most typical posture was of bitter irony. In his correspondence, he admitted that he laughed at everything—facts, people, feelings, and even those matters dearest to his heart, as a method to test them. His sarcasm did not spare current events.

Sentimental Education is an odd and in many ways unpleasant novel. Flaubert's craft makes the exceptionally uneven time-flow of how the story unfolds bearable, but the dominance of the characters' flaws and failures is wearing. Ultimately, however even this works, giving the novel a peculiar momentum, and a train wreck sort of fascination.

These images float across the opening pages of "Sentimental Education," Gustave Flaubert's portrait of mid-19th century Paris society. I'd read this book in college and when I recently slogged through the horrific "Da Vinci Code" I decided to reward myself by re-reading "Sentimental Education," a novel that evokes the spirit of an age, etches a portrait of a culture and delves into the heart of human frailty and grandeur. Twenty years ago I was intoxicated by this book, believing it to
