The Complementarity Regime of the International Criminal ...

In reality, everything that falls under the concept of complementarity actually relates to questions of admissibility: whether or not a case is admissible before the ICC. To make a case inadmissible, a national authority must show that it is already dealing with a case that sufficiently mirrors the ICC's case.

What is Complementarity? - National courts, the ICC and ...

The last, the proactive complementarity model, is advocated as the most suitable model, as it mirrors the proposal for mutual inclusivity, and thereby would ensure that the ICC and national jurisdictions work in cooperation and collaboration rather than in either competition or isolation.
