The Rachel Papers Martin Amis

Plot. The Rachel Papers tells the story of Charles Highway, a bright, egotistical teenager (a portrait Amis acknowledges as autobiographical) and his relationship with his girlfriend in the year before going to university. Narrated by Charles on the eve of his twentieth birthday, the novel recounts Charles's last year of adolescence and his first love, Rachel Noyes, whom he meets in London while studying for his entrance exams into Oxford.

Review: The Rachel Papers (1973) by Martin Amis. It is hard not to compare The Rachel Papers, Martin Amis's debut novel, to Lucky Jim, the best and best-known work by his famous father, Kingsley Amis. Both, after all, are novels of disillusionment, with Jim Dixon finding that academia is rife with petty politics that take away from the fulfilling life of the mind he once envisioned, while Charles Highway, the protagonist of The Rachel Papers, seduces and then discards a slightly older ...

Though The Rachel Papers isn't my favorite Martin Amis (The Information,) you cannot better him for voice. His ear for the English language and dialect as an exhibit of intellect and character is always accurate, pleasurable--and dangerous to the smug and inattentive. First-rate writer, and such a gift to readers like us.
